To Whom It May Concern.

I would like to offer my full support of Jill Campbell and the Autism Society of the Florida Keys (ASK). Jill and ASK continue to provide valuable resources to children, adults and families impacted by Autism at the local level.

The Florida Keys are not offered the opportunity of resources, therapy, and professional counselors that families impacted by Autism so desperately need. Jill and Ask ensure that the Florida Keys through ASK provide those resources at a local level. Jill works tirelessly with many families and professionals to provide a setting where ASK can help deliver resources and therapy sessions with families impacted by Autism.

As a parent of a child with Autism, it has been a wonderful experience to meet Jill at the ASK parent meetings. We discuss the challenges of Autism with other families impacted by this social disorder. We realize we are not alone and that any experience is worth sharing. I have said on many occasions that Jill Campbell is the Force behind Autism Society of the Florida Keys (ASK). Our community throughout the Florida Keys needs to continue to support and provide financial assistance through ASK and Jill Campbell. This is not an endeavor that cannot be overlooked.

Sincerely,

J.W. & Marisol Parks
