Re: Partnership Letter of Support- Autism Society of the Keys

To Whom This May Concern:

My name is Brian D. Udell, MD, and I am a Board Certified Pediatrician and Neonatal/Prenatal Specialist with 50 years' experience, practicing Special Needs Pediatrics and Developmental Pediatrics in Davie, FL.

I have been in partnership with the Autism Society of the Keys, helping children in South Florida, for the last seven years. In that time, I have had the extreme pleasure to work with Jill and Craig Campbell and their very dedicated staff. This organization has helped so many children and parents with guidance, support and grants to seek medical help. I commend them on their efforts and look forward to working with them for years to come.

Any recommendations I can extend on their behalf would be welcome.

Thank you for your attention in this matter.

Sincerely,
